

# BAMPTON C of E PRIMARY SCHOOL NEWSLETTER

## September 2017

Dear Parents/Carers,

Welcome back to school and I hope you had a relaxing summer!

The children were so excited yesterday coming back to join their new classes and teachers, and look really smart in their new uniforms. It was incredible to see how much many of them have grown over the summer and lovely to hear about their adventures over the holiday! I am sure they have told you themselves how well they have settled back into school!

The curriculum theme this term is 'Walk Like an Egyptian' (Ancient Egypt) and the teachers have already planned fun-filled activities with the children. Letters from teachers will be sent out soon as well as curriculum topic webs and details of homework etc, which will give you all the details. Look out as well on the website under 'Class pages' for electronic copies and more about your child's learning.

We are currently putting together our plans for after school clubs this year, details of which will be sent out shortly. Look out on the Website and School Gateway for this and lots more information about what's happening in school, including the school calendar, details of the residential visits for the children and weekly newsletters. As always, don't forget the links to the photo gallery on Flickr and Twitter account (@BamptonSCH) as well.

As ever, volunteers are also really welcome into the school (thanks to all of you who have already been in touch) and I know the PTFA could always do with some extra help! Please contact the office if you can help out.

The next Parent Voice Meeting will be on 11th October at 2.45pm. Again, all parents/carers are welcome to attend. They are informal meetings aimed to help communication and we always value your opinion. If you want to contact me directly, as always catch me around school, call on the office number or email me at [g.bladon@swsf.org](mailto:g.bladon@swsf.org).

Looking forward to another enjoyable, successful year ahead for everyone! With such a positive Ofsted report at the end of last year, we are really looking forward to building on the success we have achieved in school so far.

Many Thanks

*Gary.*

Gary Bladon
