Term Dates

Last day of term: 24th March.

Term starts: 11th April.

Uniform

Please ensure your child is wearing correct uniform:

- red logo jumper,
- white polo top (preferably with logo)
- black or dark grey skirt/trousers.
- Plain black school shoes. No trainers or ballet pumps.
- Plain grey/black socks
- Uniform is available from <http://uniforameasy.com/>

William Mitchell you have been working so hard this half-term! You have really focused when sounding out words and forming your letters. We like how you have challenged yourself to write your own sentences.

Oliver Haxell you've been an excellent role model and showed great focus in all your learning. Your lovely ideas and super sitting has been great and you've shown real readiness to learn.

Elliott Varley You should feel very happy about your writing this week, expanding your sentences with specific detail about the Great Fire of London. You love your math and science lessons during the week, getting into the problems, where you like to find the solutions.

Cameron Grabke you have tried so hard in all lessons and always are looking for a challenge – especially in Maths. You have tried so hard to work independently and have never given up. The presentation of your work has also improved during this term.

Jamie Lander you have been such a super learner this week! You have shown excellent resilience in maths this week. Well done for working independently and for never giving up! You have shown an excellent understanding of angles and how to use a protractor!

Parent open morning

Thank you to everyone who came on Friday—we hope you found it informative and helpful! The children loved having their lessons watched by members of their family. Don't forget, if you missed parent consultations before half term, do book another with your class teacher.

Please ensure that the children have their swimming and PE kits in school every day. As the weather improves, we are doing our best to maximise their physical activity and enjoying our lovely School grounds.

We had GLORIOUS weather on our Exmoor Challenge practice walk this Sunday! Thank you to all the staff and parents who turned out—you were so encouraging to the children and really inspired them. We saw SO many deer, the trees were stunning in their Spring foliage and the river was crystal clear. Those last couple of miles were hard work—well done to everyone. Building up stamina and sporting prowess take time and we were grateful to have the weather on our side. Next one is March 20th.

Nursery

Our excellent Nursery takes children from 2 years old. As we head towards September we find that being in a Preschool setting helps so much with the transition for Reception age children. If you know anyone with preschool age children do point them our way.
