Rufus Lowden—we've been really impressed with your resourcefulness this week and the sentences you wrote in independent learning were great! Well done.

Jamie Luxton you've been an excellent learner and showed great focus in and with all of your learning—you've also been a kind friend to our new Squirrel. Thank you.

Sophia Lewis you've shown great focus in Maths and persevered in your learning. You mastered column subtraction because of this!

Jack Kingdon you've been a consistent and persistent learner this week, trying so hard in your independent learning and never giving up.

Jack Kelly you've been a resilient learner and always tried your best.

Good luck to everyone going on the Dorset Residential next week! Don't forget to pack a swimming kit for your visit to Splashdown! We hope you have a fantastic week and look forward to hearing all about the workshops and amazing adventures you go on! See you at Station Road Car Park on Monday at 0850!

Please ensure all children have in school every day a swimming kit, PE kit and a rough change of clothes for Woodland School.

Did you have a declutter during Easter? Please do keep an eye out for any School Reading books that might be lurking around. We really don't mind if you've got a stash somewhere (Mrs Bull just brought back a fair haul!). Mrs Wensley is doing a huge overhaul of our Reading Levels and would really appreciate any lost books making their way back to her. Either bring them to the office or give them to your class teacher. Thank you in advance!

Nursery

Our excellent Nursery takes children from 2 years old. As we head towards September we find that being in a Preschool setting helps so much with the transition for Reception age children. If you know anyone with pre-school age children do point them our
