

BAMPTON C of E PRIMARY SCHOOL

A message from Mr Bladon:

Thanks for a great start to the Spring Term and hope you all had a good Christmas break. Our new topic of "Active Earth" is already engaging the children and we've got lots planned for the next few weeks! Don't forget to keep an eye on the [school website](#) for lots of information.

Parking:

Please be mindful of the residents who live in School Close when parking. We know the car park can be very busy at certain times but safety is paramount. Please don't park over or on crossing points or junctions, or obstruct walkways. We have had a couple of complaints about both the parking and the speed of cars at pick up time.

Play Equipment:

We've had soft surfacing installed around the Minion plus some new equipment for the playground, including a glockenspiel and a sea dragon that rises out of the ground! Thanks to everyone involved in these installations - we'll do a post on the website next week with some photos.

School lunches:

You can book AND pay for School Lunches via [School Gateway](#). Simply choose the session(s) your child wants to have school lunch on and then pay. Increasingly we will be asking you to do this so if you can get into the habit now that would be appreciated - and will minimise the shock of those big School Lunch bills that we still have to send out!

Clubs:

Clubs are now up and running and are booked through School Gateway. Please remember that you need to book the session - all clubs should now have sessions assigned to them. You'll either get to book those sessions through the website:

is currently booked onto 0 future sessions.

PTFA: Plans are underway for our popular Bampton School's Got Talent evening - Mrs Riley is organising it. Some of the children are already planning their acts - so don't forget to start practising now! It's a great evening for everyone and we are always staggered by the huge range of talent on show.

Well done to all the children involved in the new Family Service at St Michael and All Angels last Sunday. It was a great turnout and Rev. Chandra was impressed by your singing of "Celebrate". The new Family Service is every second Sunday in the month at 9.30am - coffee and refreshments served afterwards!

and then confirm your booking:

If you've set up a bank transfer on the app it's pretty much the same process - choose the club, book the sessions and then pay.

If you still choose to pay by cash then you'll get an email receipt once we've manually processed the transaction. You can book your child onto the sessions too.

As ever - if you have any queries with any of the School Gateway process do see Lucy in the office.

PTFA are running a reading rota for volunteers to help our children read - if you'd like to help please see the office. It just involves an hour every now and then reading with some of our children in School.
