Jonah Kettleborough you've been a resilient learner this week and we loved the mask you made, your concentration on it was absolutely incredible.

Maisy Sparrow you have been a tremendous learner this week, you were determined to produce beautiful handwriting and everyone in Squirrel class was so impressed!

Izzy Kingdon you took your time this week with your handwriting, concentrating on your joins, and ensuring your poem had the best adjectives. We are proud of you!

Alfie Ditton you've been a consistent and persistent learner, never giving up, particularly in Maths. Well done!

Willow Moore you've pushed yourself hard and been so proud of your results. You've also been a really kind friend and a mature member of Stag Class. Well done!

Parent Voice:

Thanks to those parents who attended. Discussions were had about the library resources, the new lunchtime regime, after school clubs and World Book Day. The PTFA will be in touch about fundraising ideas on this.

"Read for my School"

This is an exciting competition that we've entered the school for. We'll send a letter out this week with details, but in previous years we've found that the children really enjoy setting themselves reading challenges and logging them. It's open to KS2 but please speak to your child's teacher if your child is interested at a KS1 level too.

Good luck to our Youth Speaks team AND everyone involved in Bampton's Got Talent this week!!
We're sure you'll be fab!!

Swimming pool: There's still a delay on replacing the regulator on the gas supply, sadly. We're doing our best to get the pool up and running and will bring you more details as we get them. Don't worry your Spring Term lesson deposits are safe!
