**Matty White**—you decided this week to tackle that tricky letter “S” and after much resilience, you achieved it! Well done!

**Harry Cottrell**—your perseverance with your handwriting was impressive this week! You never gave up and we saw great results—we are very proud of you!

**Mollie Baxter**—you've demonstrated a great love of learning all term, and we've been impressed with your focus this week, exploring speech and different resources.

**Isaac Holme**—you've tried so hard in your independent learning and you are always looking for a challenge.

**Jess Sully**—You've been a resilient learner and worked hard to achieve in every aspect of your lessons. You're a mature member of Stag class and you have a great approach to everything. Well done!

Don't forget to log onto the “**Read for my School**” website if your child is in KS2.

This great competition is full of fun challenges for the children, and they can win prizes for the school and for themselves, including Towers of Books!! Find it

**Exmoor Challenge:** Thanks to Mrs Wensley for arranging the practice walks which start this weekend. All the dates are also on the school website.

**CONGRATULATIONS** to our Youth Speaks teams!! Both teams spoke brilliantly last week at Bolham and one team got through to the North Devon regional on Saturday. Nathanael, William and Red smashed that round AND got through to the South West round in Torquay!! We are so proud of you all and wish you luck for the next round!

Great work chaps!

**Swimming pool:** There's still a delay on replacing the regulator on the gas supply, sadly. We're doing our best to get the pool up and running and will bring you more details as we get them. Don't worry your Spring Term lesson deposits are safe!
