Katie Lewis you've done some super sentences this week during independent learning, and shown some great imagination!

Louise Boyles we were really proud of you tackling your fear this week—you were so brave getting into the swimming pool, and you've challenged yourself in your learning too!

Lilly Davies you've continued to challenge yourself in Maths using resources to help you. You work hard in groups, investigating problems.

Ella Bull you've tried so hard in all lessons—well done on your progress in Maths and Literacy! You're a reciprocal learner and help others too.

Willow Moore well done on your independent learning and never giving up on the Wilcombe Wobbler!

Fantastic work by our Youth Speaks team!

Red, Nathanael and William did so proud in Torquay at the South West Finals! They were up against 7 other teams and received great feedback from the Rotarians who attended: "They should be congratulated on representing their school so well and with maturity beyond their years!"

Please ensure that the children have their swimming and PE kits in school every day. As the weather improves, we are doing our best to maximise their physical activity and enjoying our lovely School grounds.

Ilfracombe Swimming Gala

We were really proud of all the children who represented us so beautifully at the Aquathlon this week. It's a busy swimming gala and we were up against some sterling competition. Everyone put their most into it and Mrs Jones was really impressed with their attitude and manners.

We must also thank all the parents who have been so supportive at all our recent events—we couldn't do it without you and it makes such a difference to the children.

We had such fun on World Book Fair—you had some fantastic outfits. The Scholastic Book Fair in the Hall was a great success—we raised over £500! Huge thanks to the PTFA who will match that final figure—it's a great boost to our reading resources. Many thanks to those parents who helped at such a busy fair.
