Please ensure your child is
wearing correct uniform:

- red logo jumper,
- white polo top
(preferably with
logo)
- black or dark grey
skirt/trousers.
- Plain black school
shoes. No trainers
or ballet pumps.
- Plain grey/black
socks

Katie Lewis—your fantastic effort in all areas of learning has been so impressive! You've worked really hard to remember your finger spaces and showed great determination when creating numicon towers.

George Crittenden you are always fantastic but recently you have been working extra hard. Keep up the good work!

Eve Mathias—you have proven your positive attitude to learning with all your hard work in every aspect of your study. It's great to have your smile in class and your determination to keep challenging yourself is great.

Madison Davies—For showing a really positive attitude towards her learning during a challenging week with SATS. Also for showing a more mature attitude as she moves towards the end of the year and into year 7.

Thank you to the
Bampton Heritage Cen-
tre who came to tell us
all about the Tivvy
Bumper trail that's hap-
pening later this year.
There's also an art com-
petition that the children
can enter!

The sun is finally shin-
ing on us! Please can
you ensure your child
comes to school with a
sun hat/cap and sun
cream applied

We have some opportunities for Parent Reading volunteers during the week. If you are interested in helping out in any of the classes, please speak to the office who can give you the relevant forms. If you are interested in working for the School this is often a good way of seeing how it all works too. Thanks to all those who already volunteer in so many ways—it's much appreciated!

There's still time to get on the Y3/4 Cornwall and Y5/6 London Residential. These weeks are a great chance for the children to expand their learning outside the class-room, making strong friendships and making amazing memories that they can then use back at school in class!
