**Amelia Downes**—You are always ready to learn and you always make the right choice. We really like the fantastic ideas you have been sharing during our lessons and guided reading sessions. Your imagination is brilliant and it's great to see your confidence growing.

**Ryker Jefferies**—you've worked really hard to move up a Reading level this week and you haven't given up with your writing even when it got tricky!

**Lilly Davies**—your systematic thinking and approach to Maths has been great and has allowed you to make other connections. Your group work has been impressive too!

**Tilly Sparrow**—you've shown excellent resilience in Maths and reciprocity in teaching others the grid method.

**Daisy Saunders**—your attitude over the past couple of weeks during SATs and classwork has been exemplary. You've shown real resilience and tried your very hardest—well!

A reminder that school dinners must be paid for in advance. Please send up outstanding invoices to the office by Thursday 26th May. Dinners are £2.20 each or £11 a week.

The sun is finally shining on us! Please can you ensure your child comes to school with a sun hat/cap and sun cream applied

The PTFA Fete will be held on **Friday 15th July** from **3.30-6.30.**

There will be lots of posters coming soon and details of the brilliant Grand Prize Draw that is so popular every year.

If you think you can help—even just for half an hour somewhere—please see Laura Grant, Rachael Grabke or Jo Kingdon. Check the school website too.

Good luck to all the school trips taking place this week! Squirrels and Hedgehogs are off to Morrisons on Monday to learn about Greek food! Otters, Foxes and Stags are all off to Exeter on Wednesday to the Picture-house and Exeter Cathedral! Have a great time everyone!
