

BAMPTON C of E PRIMARY SCHOOL

Important: ALL School Meals

Dear Parents

As mentioned previously, we have upgraded our School Meal system on School Gateway. Many of you suggested that it would be easier to order school meals via School Gateway if you could see the menu whilst placing the order. This is now possible.

The system recognises whether your child pays for school meals. As a result we ask **that ALL children order their lunches IN ADVANCE**. You have up until 9.15 on the morning the meal is taken to order that meal.

Via the app:

- Choose the child
- Choose the relevant menu, eg: "Menu 2018"
- You will see "View Bookings", "Make a Booking" and "View Transactions"
- Choose "Make a Booking". You'll then see a selection of days, which if you select one, will give you a choice of meals.

Via the [website](#):

- Choose the child
- Choose the relevant menu, eg: "Menu 2018"
- Select a day and select the meal choices.

Meals are colour coded and are fairly self-explanatory (**Red** = meat, **Green** = vegetarian option, etc)

Choose ONE main meal. Children will choose dessert at lunchtime as normal.

If you think your child should receive Free School Meals please apply via the Devon County Council website:

<https://new.devon.gov.uk/educationandfamilies/school-information/school-meals>

Payments: can be made via School Gateway. If you pay by Childcare Vouchers please see the office.
