

**Year 2 Residential Trip to Bampton School
Thursday 22 - Friday 23 June 2017
Bampton/Woolacombe/Combe Martin School**

Dear Parents

It's not long until our inaugural Year 2 Shark Sleepover and I know many of the children are very excited about this!

As you know, we will be staying overnight at the National Aquarium in Plymouth, in the area around the Eddystone Reef tank, taking the opportunity to see what underwater life is like at night time.

Children at Combe Martin and Woolacombe will leave School during the day on Thursday 22nd June and will travel to Bampton Primary School. The three school groups will lunch together and then take part in activities in the wonderful Woodland School facilities on site.

We are due to leave Bampton at 3.00pm.

Once in Plymouth, we will have a hot dinner at a fish and chip shop on the Barbican (Menu choices will be filled out in class).

On arrival at the Aquarium we will have a twilight tour and arts and crafts activities. Staff will spend time with the children setting up their sleeping area and ensuring they are all comfortable before we all settle down together for a snack, storytime and a movie.

In the morning there's breakfast in the Ocean View café and a trip to the Gift Shop. We will leave Plymouth in the morning with a packed lunch (provided by the Aquarium), which we'll eat at Bampton. We are all due back at our respective schools by normal pick up time.
