

South West Schools Federation Residentials 2018-19

To all Parents and Carers

As you may be aware, SWSF run an exciting scheme of Residentials through the Academic year for children from Year 2. All trips are designed not only to enhance the curriculum topics but develop each child's wider experience outside of the classroom, through art, heritage, culture and a bit of adventure! In providing broad schemes of enterprise for each residential, children learn valuable skills, raise aspiration and, through sharing experiences with both peers and children from other schools, often make friends for life.

The scheme is set as a yearly cycle as follows:

Date	Residential	Year Group	Cost
16-19 October 2018	Cornwall	Y3	£240
21-25 January 2019	London	Y6	£320 + transport
19-22 March 2019	Bristol	Y4	2017-18 costs: £260*
29 Apr -3 May 2019	Dorset	Y5	2017-18 costs: £290*
7-10 June 2019	PGL	KS2	2017-18 costs: £240*
20-21 June 2019	Shark Sleepover	Y2	2017-18 costs: £68*

*ie, provisional and subject to change for 2019.

We appreciate that cost is a key consideration for parents for these trips and for that reason we try and give families as much notice as possible. It is possible to start making online payments towards any of the trips above as soon as you would like. Once we have confirmation of all the provisional costs of each trip we can then notify you of any change to the final cost.

There are some local and regional organisations that sometimes help with financial aid. Do speak to the school office if you'd like to know more.

Yours sincerely,

G. Bladon, Head of School

Bampton Primary School: 01398 331121
