

## Art

We will be creating portraits of ourselves in the present future and past.

We will also look at clocks in the style of Salvador Dali and aim to create our own version of the painting.

## PE

This term we will be swimming at Tiverton High School.

In any extra sessions, we will be playing fielding and striking games.

## History

We will be doing an investigation into how an everyday product has changed over time (the past 200 years).

We will look at why these changes happen and compare how quickly things have changed across different items.

## RE

**Theme:** Tawhid

**Key Question:** What does it mean to be a Muslim in Britain today?

# Time Traveller

## Stag Class Summer term 2 2022

*Tick, tock, tick, tock. The hands on the clock never stop. From the moment we are born, from toddler to teen, middle age to elderly, time stops for no man. Find out what happens to our bodies and brains as we grow older, and how we cope with these changes. How long does a human baby take to grow inside the womb? Does it take longer than an elephant calf? Or a kitten? Take a good look at yourself. How has your face changed since you were a baby and how will it change as you grow older?*

## PSHE

**Theme:** Growing and changing.

In this unit we will cover puberty and reproduction as well as issues such as body image in the media.

## Science

We are going to be looking at reproduction in humans and animals. We will also look at how reaction times are slowed down by the aging process

## English

**Poetry:** A free verse poem about a special person in our lives.

**Fiction:** The children will be writing a horror/thriller based on the story Room 13 by Robert Swindells.

**Non-Fiction:** The children will write a leaflet, giving advice about getting older.

### **SPAG:**

We will continue to use the decision spelling programme to teach spelling rules.

## Maths

This term we will be recapping shape, before moving on to measurements. We will be focusing on volume, capacity and time.
